# Golden Achievement

*This outstanding award will be given to one young lady in each age division during the "Red Carpet Awards!"*

This prestigious award is based on **one featured service project** you have performed (without compensation) to help others or to improve your community!

We want to know *more* about what has inspired you to help others! We will be featuring the winning entry from each age group, plus other selected entries, on our community involvement website so that we can share the great news of what National American Miss girls are doing!

Even if you are not participating in one of the overall queen's title pageants at Nationals, you can still participate equally and have the opportunity to win the beautiful Golden Achievement in Service Award.

**Here's how it works:** By November 15, all competitors in the National American Miss and the National All-American pageants are required to document their 4 or more hours of service by uploading documentation to our secure site: [www.namiss.com/CommunityInvolvement](http://www.namiss.com/CommunityInvolvement). Likewise, any girl who qualified to go to Nationals, for Optionals or any activity, can do the same. Your submission should describe your ONE Community Involvement Project. While you may have been involved in various projects and/or organizations, we want you to select the ONE project or organization that you want to feature. Recycling, Susan G. Komen Run, Ronald McDonald House, Book Drives, sending care packs to US servicepersons, volunteering at your favorite charity; these are just some of the examples of ways you can get involved in service.

\* Note: As you know, participation in the Community Involvement portion of the pageant is required for all contestants who are competing for the National American Miss or National All-American Miss titles. All entries that are successfully submitted and that follow the rules will receive the full 10% automatically.

- Purchase online at [MyNAMiss.com](http://MyNAMiss.com)
- Submit this card by mailing it to the National Office

# in Service Award!

## Here's How it Works!

EVERY Nationals girl who uploads the documentation of her project to our secure site is automatically entered in the GOLDEN ACHIEVEMENT IN SERVICE AWARD Contest. **There is no entry fee.**

The minimum requirements are that you upload:

- **Brief Project Description.** This should be just a sentence or two.
- **Full Project Description.** This is a detailed description. It is not to exceed a maximum of 300 words for the Pre-Teen, Junior Teen, Teen, and Miss divisions and 150 words for the Princess and Jr. Pre-Teen divisions.
- **A letter of validation.** The letter should be from the project manager, verifying your service. Scan the letter and upload it as instructed on our webpage.

To more fully give honor to your project, you may upload:

- One or more actual **photo(s)** of your project and/or you serving in your project. If you have a National American Miss banner, you can wear that while doing your service. Crowns are optional, and we are actually now discouraging them when participating in community service as they can sometimes interfere with the message of service. Note: Your having a crown and/or banner on in the photos, or video, does not affect your scoring for this award. Follow the instructions shown on our upload site for naming the photos prior to upload.
- A link to a **video** about your project and/or you serving in your project. You may choose to upload your video to a site, such as YouTube. When you do, copy and paste the link into the place indicated on our page.
- **Additional letters of commendation** and/or other uploadable items which you feel will help us present your project if it is selected and then presented on the Community Involvement website page.

For assistance, you may contact the National Pageant office at (281) 496-9000.

We love to hear about  
all the outstanding  
things you are  
doing in your  
community!
